Experience

FAST Swim Team – Fremont, NE

Assistant Coach | 2025–Present

- Lead daily training environment for ~25 swimmers, improving technique, accountability, and race execution across the group
- Designed seasonal and weekly training plans that supported athlete progression and championship meet readiness
- Prepared swimmers for Blockpartys, Dual meets, Championships, State, Regional, and Sectional, contributing to stronger performances at higher-level competition
- Assisted with travel logistics, meet operations, and family communication to strengthen program organization
- Reinforced team standards, sportsmanship, and positive culture to support athlete retention and development

Pikes Peak Athletics – Colorado Springs, CO

Swim Instructor | 2025

- Developed swimmers ages 5–15 from foundational skills to competition readiness using structured progression plans
- Provided technical instruction and feedback that accelerated skill improvement and confidence in the water
- Supported practice structure and athlete evaluation, improving training efficiency and group organization

Sterling College – Sterling, KS

Coursework & Swim Instructor | 2022–2024

- Assisted collegiate swimmers in refining all four strokes, improving efficiency, and race performance consistency
- Delivered individualized technical feedback supporting athlete development and training execution
- Supported class instruction, facility safety, and daily program operations
- Worked alongside staff to maintain a structured and professional collegiate training environment.
